We proudly serve Shasta, Trinity, Tehama, Butte, Glenn and Siskiyou counties.

Our goal is that parents become active and empowered participants in their child’s journey.

How Can We Help You?

Our Parent Consultants are the backbone of the agency. They can review and offer valuable suggestions about all special education documents including IFSP’s, IEP’s and Behavior plans.

In addition we can:

• Answer your questions
• Connect you to local resources
• Provide support to youth as they learn social skills and self-advocacy
• Offer referrals to support systems and other beneficial agencies

Who is RFENC?

(Rowell Family Empowerment)

Most of our staff are parents of children with special needs. We understand how overwhelming all this can be.

Here at RFENC we provide support and training for families as they learn to navigate special education and the systems that serve them, so they can become the best advocate for their family.

We help families with strategies for:

• Preparing for the Individualized Education Plan (IEP)
• Understand their educational rights
• Requesting assessments
• Related services
• Transition planning
• 504 plans
• And much more!
