Legal Options for Special Needs Children Abused in CA Schools

When you send your child off to school, you trust that administration and staff will uphold their duties to ensure safety of all students while on school grounds. This obligation does not change when the student is a special needs child with a dispute.

Online For Now

This probably isn’t new news to anyone, but for the time RFENC is offering all of our trainings exclusively via webinar. If you’d like to attend one of them just visit our events calendar on our website and review what we’re offering and when. Once you find the training you’d like to attend simply click the title to register online. That will take you through the steps to signup and when the date/time comes you’ll be able to join us remotely!

Remember to check our online events calendar periodically to see if we’ve added trainings. You’ll see that our calendar sometimes also lists support groups, play groups, ASL classes, etc. so check it out once things normalize again.

If you want more information about our trainings the details are available on our online events calendar. Once on our calendar just click the title of a training to read the description.

Si desea más información sobre nuestros entrenamientos ingrese a nuestro sitio de internet para ver detalles de entrata y de otros eventos en el calendario. Una vez en nuestro calendario de eventos haga clic en el título para leer la descripción detallada.
