

Sponsorship Opportunity

Rowell Family Empowerment and the City of Redding cordially invite you to participate as a sponsor for our Annual *Airports for Autism*. This event is supported by the City of Redding and organized as a fundraiser for Rowell Family Empowerment, a local non-profit working with families and children who have disabilities such as autism.

Airports For Autism (A4A) is a big event in the local community, and it continues to grow each year. The main event is a 5K run, which takes place on the runway and concourse of Benton Airpark in Redding. Airports For Autism also features a 2-mile fun walk, a silent auction, and a community fair with vendor booths.
