ROWELL FAMILY EMPOWERMENT
WHO ARE WE?

We are a parent-run organization that provides support and training for families and individuals, as they learn to navigate special education and the other systems that serve them. We believe that empowering people with knowledge leads to community inclusion throughout the lifespan.

We help families with:
• Preparing for the Individualized Education Plan (IEP)
• Understanding their educational rights
• Early Intervention/Individual Family Service Plans (IFSP)
• Requesting assessments
• Transition planning
• 504 plans
• Regional Center support

HOW CAN WE HELP?

Our Parent Consultants are the backbone of the agency. They can review and offer valuable suggestions about all special education documents including IFSPs, IEPs, and behavior plans.

In addition, we can:
• Answer your questions
• Connect you to local resources
• Provide support to youth as they learn social skills and self-advocacy
• Offer guidance to other support systems and agencies
